1. Sanitary Circulars re Thymol.

SC views medical authority such as is whether SS can issue any official circular. This subject seems to be one which should be left to the discretion of medical officers according to circumstances of each case. The Circulars should be withdrawn as this matter should be left to the discretion of the Medical Officers to buy any particular remedy — when there is no authoritative treatment advocated by any Govt or medical faculty the S.S. might issue a circular.

2. Inf. Hospital.

SC says there is no further medical control can advise may issue by but the employment of special nursing staff = a matter for Inf. Camp. W.E.D. Staff. Some personal views. They speak for themselves

Order No. 8002-8013 Med dy 2-11-1918

In order that the campaign against the Influenza epidemic may be more effective, Government consider it necessary to issue the following supplementary instructions:--

Thymol. The Senior Surgeon is requested to withdraw circulars issued by him prohibting the use of the drug as the appropriate medecine should be left to the discretion of the medical officer concerned according to the circumstances. As no authoritative treatment is recommended by the Senior Surgeon, Government do not consider it expedient to bar or push any particular remedy.

a Thymol was included in the No. 98-102 dy 12-10-18 of the S.S. The Govt. issued the Circular that referred.

2. Control over the Staff. All medical and other agency employed in District areas other than the Municipal areas of Bangalore and Mysore will be under the administrative control of the Deputy Commissioners. Similarly all staff relating to special Influenza hospitals in Mysore and Bangalore will be under the control of the Municipal Presidents. The Senior Surgeon and the Sanitary Commissioner will be advisory authorities and no administrative orders in administrative matters need be issued by them. They should address Government regarding such orders if their advice is not

OFFICE MEMORANDUM.

In a D.O. letter No.816 dated 28-10-1918 addressed to the Presidents of the Bangalore and Mysore Cities, the undersigned gave a quotation from a standard work on Materia Medica on the bad effects of administering Thymol in solution internally, and copies of the D.O. were also sent to the Deputy Commissioners of Distficts for information and to subordinates of the department for information and guidance.

In paragraph 1 (7) of G.O.No.G.98-102, Med. dated 12th October 1918, Governmenr had ordered the issue of Thymol for internal use and for application to the throat.

In their order No.8002-13, dated 2nd November 1918, under paragraph headed "Thymol", the Government have been pleased to declare that the appropriate medicines to be used in each case should be left to the discretion of the medical officers concerned according to circumstances, that they do not consider it expedient to bar or push any particular remedy and that as Thymol was mentioned in their order of 12th October 1918, the Senior Surgeon should not have issued his circular without reference to Government. They have therefore directed the withdrawal of the D.O. letter and circular of the Senior Surgeon, first mentioned.

Accordingly, this office D.O. letter No.816 and Circular No.816-2, dated 28th October 1918, are hereby withdrawn.

Senior Surgeon.

To the Medical Officers and Subordinates.

Copy, forwarded to the Presidents of the Bangalore and Mysore City Municipal Councils and the Deputy Commissioners of Districts, with compliments, for information.

Senior Surgeon.
